The Board reviewed the warrant articles and discussed the inclusion of a warrant article to increase the current exemption for elderly town residents. It has been some time since the tax credits and exemptions were reviewed. Fran was asked contact the DRA to confirm the language for same and forward to the Select Board for their approval.

Mary also noted the Select Board needed to discuss the dedication, as well as the Select Board's report. It was agreed that Mary would draft the report and forward to the Select Board for their review and approval.

The Board members were then advised that the audit was underway. Auditors arrived Tuesday morning from Plodzick & Sanderson to conduct annual audit. They completed the on-site portion on Wednesday and would be contacting the office should they need anything further.

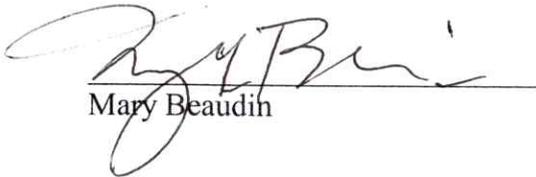

There being no further business to come before the Board, Harry made a motion to adjourn, seconded by Rachael.

The meeting was adjourned at 7:35 p.m.
