Minutes

Present: Denise Cartwright, Harry McGovern

Zoom: Gayle Clement, Robyn Gilmartin, John Wright

The meeting was called to order at 6:00 PM. Roll call was taken.

The auditor's report on the tax collector was signed and copies were provided for board members.

John Wright reported that he has a meeting with Zach Mei over steps to move forward with the communications survey. He asked that the board log on to the link in his email to confirm they support broadband efforts. The board did so.

There was a building permit for a shed for Tom and Judy Robert. There was a request for a license to sell pistols and revolvers. It is a 3-year renewal for David Heater. Robyn shared there is a request to use the Town Hall on June 5 by Curtis Mardin. When asked how many people, she said she would have to check. The NH Best Practices were referenced and Denise will ask Jenn to share them with the board and Robyn.

The tax warrant was reviewed and signed.

Minutes were discussed March 17 and April 7 need to be compared to last week's corrections. April 14, March 3 and 10 will be reviewed for next week.

Rick from KRT came in Thursday and is now able to work remotely.

Denise reported she caught 4 mice in the Town Hall kitchen.

The complaint about the property on Gale Chandler was discussed again. Since the first letter, fencing was put up, but it does not seem to be containing the birds. Robyn still has not provided a copy of the first letter sent. She was asked to bring copies next meeting.

Harry reported there is a Safety Committee meeting on May 27.

Harry and Denise asked Robyn if she could attend next week's meeting in person. She stated it would be inconvenient since she has another job between her duties in Landaff.

It was noted that the MS232 is due next week.

At 6:55 PM Denise made a motion to go in to closed session for reputation, and Harry seconded it. The motion passed. Robyn, Gayle and John left the meeting.

The meeting resumed at 7:00 PM. There was no other business brought before the board so the meeting was adjourned at 7:00 PM.

Respectfully submitted,

Denise Cartwright
