

Landaff Select Board Meeting
Landaff, NH
August 5, 2026
6 PM

Minutes

Present: Rachael Booth, Harry McGovern and Mary Beaudin, and Frances Day,
Administrative Assistant
Jeff Nute, Road Agent

Meeting was called to order at 6:00 p.m.

The minutes of July 22, 2026 were approved and signed.

The Board discussed the issue with the two driveways at 269 King Hill Rd. Mary advised that she left a message for the homeowners but has not yet spoken with them. The homeowner contacted Mary during the meeting and it was determined that the driveway in current use is the only driveway on the property. The other driveway has been covered and is no longer in use. As there is no "loop" driveway or two driveways existing on this property, this matter is resolved.

The Board then discussed the situation regarding the AirBnB at 95 Chandler Pond Rd. Harry will contact the property owner to advise him that as he is currently taking reservations for this property, he will need to complete the RV Permit Application, pay the appropriate fee, and provide a copy of any agreement signed with the renters. Harry will advise the Board at their next meeting of the outcome of this discussion.

Rachael asked that the Select Board research the possibility of looking into other broadband companies to lower current costs. The Board agreed that with the possibilities of additional companies coming into the area, the possibility of lower internet costs would be beneficial.

The Board received a request from the Supervisors of the Checklist to have a computer in the Town Hall dedicated to their duties. Rachael stated that she is looking into that request and how that may be accomplished.

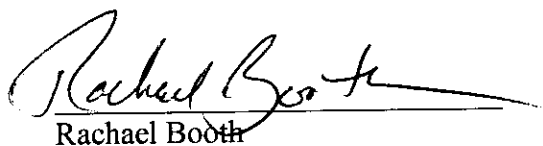

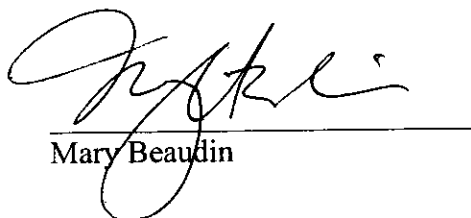

There being no further business to come before the Board, Rachael made a motion to adjourn, seconded by Mary.

The meeting was adjourned at 7:30 p.m.

Respectfully submitted,

Frances R. Day
