Meeting was called to order at 6:03 p.m.

Mary welcomed Mr. Paige. Mr. Paige explained that he was here to file a Current Use Application for 2 Jockey Hill Rd. After review, Harry asked Fran to forward to the Assessor for review. Based on his comments, we will revisit the application. Mr. Paige then thanked the Board and left the meeting.

Brenda Dodge spoke regarding the monuments near the church. She stated that they are in dire need of repair and all the surrounding plants need to be trimmed. She asked who she should contact to make these arrangements. She was unsure if this matter would be handled by the Cemetery Committee. Harry advised that the responsibility lies with the Town. He will look into this matter, get several estimates for repair and then advise Brenda of the outcome. Brenda then thanked the Board and then excused herself from the meeting.
