

Landaff Select Board Meeting
Landaff, NH
December 10, 2025
6 PM

Minutes

Present: Mary Beaudin, Rachael Booth, Harry McGovern, Jeff Nute, Road Agent and
Frances R. Day, Administrative Assistant

Meeting was called to order at 6:07 p.m.

The Board reviewed and discussed the Highway Dept. 2026 budget presented by Jeff. Jeff is expecting increases in utilities such as electric service, propane, and telephone/internet. He stated there may be opportunities for savings by comparing costs.

Jeff then discussed plans for various road projects throughout the Town in the upcoming year. These would include: Chandler Pond Rd. culvert repair which will require wetland permits and engineering; Merrill Mountain Rd. replacing of culvert; Pearl Lake Rd. building up, shimming and paving; and Jim Noyes Rd. overlay of section. Jeff advised that he would also like to order additional gravel to be delivered to the garage to have on hand.

Jeff asked regarding the renting of Mr. Bobson's excavator. Mr. Bobson does require a binder. A discussion followed regarding the equipment reserve and if it could possible be used for purposes of plow. Harry indicated that this would require a warrant article. Jeff then thanked everyone and left the meeting.

Several Notices of Intent to Cut were reviewed and signed and will be forwarded to the DRA. A Veterans Exemption application for 298 Moses Clark Rd. was reviewed and approved.

The Select Board agreed that they will set dates for budget work sessions for early January within the next few weeks.

There being no further business to come before the Board, Harry made a motion to adjourn,
seconded by Mary.

The meeting was adjourned at 8:10 p.m.

Respectfully submitted,

Frances R. Day
