Permission is requested to construct a single driveway entrance to my property on the _____ (North, South, East, and West) side of _____ Street/Road in the Town of Landaff at a location which will meet the requirements for safety specified in the Landaff Driveway Regulations. The driveway will provide access to the parcel identified as Tax Map _____, Lot _____.

The driveway is requested for access to _____ (residence, business, etc.).

This driveway enters onto a Town ___/State ___ Road. NH DOT Approval was applied for on _____.

PROPOSED DRIVEWAY LOCATION MUST BE CLEARLY MARKED (FLAGGED OR STAKES) AT TIME OF APPLICATION.

As the landowner applicant, I hereby agree to the following:

1. To construct a driveway entrance only for the bona fide purpose of securing access to private property such that the highway right-of-way is used for no other purpose than travel.
2. To construct driveway entrance at the permitted location in accordance with statutes, all provisions of Driveway Permit specifications and standard drawings for driveway entrances.
3. To hold harmless the Town of Landaff and its duly appointed agents and employees against any action for personal injury and/or property damage sustained by reason of the exercise of this permit.
4. To furnish and install drainage structures that are necessary to maintain existing highway drainage and adequately handle increased runoff resulting from development.
5. I have been furnished a copy of the Town of Landaff Driveway Regulations and I hereby certify that this driveway adheres to all of the provisions of those regulations.
6. I have attached the Location Map depicting driveway details.
7. A separate permit must be filed for each proposed driveway.

_____ **Signature of Applicant** **Date:** _____

LOCATION MAP (**Attached**) depicting these details:

- The lengths of the road frontages to be served by the driveway.
- The location of any existing driveway(s).
- Property boundaries within one hundred feet (100') of the proposed driveway.
- The distances to all road intersections within one hundred feet (100') of the proposed driveway.
- The location and dimension of the proposed driveway within the road right-of-way.
- The dimensions and specifications of the proposed driveway's paved apron (if any)
- The depth of fill over any culverts.
- The grade(s) of the proposed driveway.
- The length of sight distances in both directions along the road.
- The location of any visual obstructions to the required sight lines.
- The location of any existing or proposed drainage structures, traffic control devices, or channelization islands to be installed.
- Drawings and specifications including width, length, and height above water surface of any bridge to be constructed
